

### Criterion B: Record of tasks

Task number	Planned action	Planned outcome	Time estimated	Target completion date	Criterion
1	Brainstorming topics and coming up with relevant project problems and ideas.	Discuss with computer science teacher about current problems that exists in school and seek out a meeting with a potential client.	1 week	28/3/2019	A
2	Identify and get in touch with client	Discuss the aim of the program and how my client wants her program to be like.	1 day	4/4/2019	A
3	Discuss with client about the program about the main functions of the program.	Generate the first iteration of my success criteria.	1 day	5/4/2019	A
4	Screen design for the program.	Designed a rough draft of what the screen will look like depends on the successful criteria.	3 days	20/4/2019	B
5	Show the screen design to the client to illustrate and outline how the program will look like.	Make final adjustments to the screen design according to the client's desires.	1 day	25/4/2019	B
6	Come up with flowcharts and pseudocodes to illustrate key processes in the program.	Finished flowcharts and pseudocodes so I have an understanding and outline of what to do.	1 week	3/5/2019	B

7	Outline of structure of program using UML class diagram.	Finished the UML class diagram.	5 days	8/5/2019	B
8	Write a test plan.	Generate a detailed test plan.	2 days	15/5/2019	B
9	Create a database and tables required for the program.	Finished set of tables in the database to store any necessary information according to the success criteria.	5 days	10/6/2019	B/C
10	Construct the program using Java.	Finished the program and its discussed functions according to the success criteria.	2 months	20/8/2019	C
11	Meeting with client to test the program.	Received client's positive and negative feedback.	2 days	28/8/2019	E
12	Writing transcript for the video.	Having a script for criterion D which include an introduction, success criteria and all the testings involved.	1 day	29/8/2019	D
13	Making the video.	Video produced with database setup and functions, test plan shown and explained.	1 day	30/8/2019	D
14	Writing an evaluation on what went well and how to	Finished evaluation.	1 day	30/8/2019	E

	improve the program according to the client's advice and feedback.
